

# On-Site Continuing Education

Quantum is currently offering unique continuing education courses that will expand your staff's commercial property insurance knowledge. If you are looking for education on a specific claims or property insurance topic, we can also customize a 1- to 8-hour course specific to your needs.

## ***Understanding BI Values & Worksheets*** - 2 CREDITS -

This course offers a unique perspective on the business interruption worksheet. The completion of this worksheet is simplified through a hands-on example.

## ***Preparing Your Policy for Disaster*** - 2 CREDITS -

Learn how to customize and enhance a property policy based on our experience with policies that were put to the test in real loss scenarios.

## ***Commercial Property: Professional Fees Coverage*** - 1.5 CREDITS -

Gain a detailed understanding of this additional coverage benefit and why it should be included in an insured's commercial property insurance policy.

## ***Understanding Ordinary Payroll Coverage*** - 2 CREDITS -

This course brings clarity to an often confusing coverage area through real world examples and case studies.

Strategic Guidance • Superior Solutions
