

# Property Loss Response Program

Take your disaster preparation to the next level. Using proven and tested claim handling procedures, Quantum will **develop** a property loss response **program** and **manual** customized to **your company**. Those qualifying for our program will benefit from eliminating many of the challenges inherent in the claim process, and can significantly mitigate the impact a loss may have on their organization.

## *Program Development Services*

- Development of Dedicated Claim Team
- Identification & Pre-Qualification of Disaster Response Vendors
- Guidance in the Selection of Insurer Claim Representatives
- Review of Reportable Property & Business Interruption Insurance Values
- Establish Claim Handling Procedures (Internal & External)
- Create Standardized Claim Templates
- Develop Pre-Hurricane Planning Procedures
- **Customize Disaster Preparation and Claim Response Manual**
